Maybe even better than free.

No account or credit card is required to get started. You can give this download link to your friends by mail or instant messenger. The cost of that data transferis covered by your internet service or the data plan on your phone. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts.Using file, you can circumvent those limits without paying to upgrade your team chat service. filehosting provides an easy possibility for you to send large filesto your friends. File is free to use with no gotchas and no hidden fees. When you use file, you avoid storing the file you're sending in your cloud storage or mailserver. There are no restrictions on the number of times a file can be downloaded. Our service is completely free for everyone. You decide who you want toshare your files with. Simply upload your file and share the link. Any file in any format can be uploaded and downloaded for free. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Alternatively you can choose to share your downloadlinks on blogs, forums and social networking sites. You can upload any type of file (movies, music, documents, images, zip files and more). Your wallet will benone-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then fromour servers to your friends device. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limitsto the size of files that can be transferred within their apps. Just upload the file you want to share with your friends and we send you a download link to yourfile. You don't need any special software installed to be able to download your files. So try our free and simple filehosting service now. Files can bedownloaded from any computer from our high speed servers. We have no file size limit. If only we could, we surely would! On the other hand, using file canactually save you money. Keep your files private, or send your download links only to friends or family. It is also allowed to link to the download page fromwebsites and communities. Unfortunately, we can't make that part free.
